

MONTHLY SECURITY REPORT — JULY 2026

Report Date: 22 July 2026

Period: July 1 – July 30, 2026

Prepared By: P DORFLING

EXECUTIVE SUMMARY

Soft-Ice Catering Equipment premises maintained optimal security posture throughout July 2026. All perimeter controls activated, CCTV systems operational, and alarm systems tested and verified. Zero critical security incidents reported. Personnel rotation maintained across three operational zones with 480 combined patrol hours. All staff completed mandatory security briefings. Recommend continued adherence to current security protocols.

KEY METRICS

Metric	Value	Status
Total Incidents	0	Green
Security Alerts	5	Green
Gate Access Checks	156	Green
CCTV System Issues	0	Green
Alarm System Tests	4	Green
Patrol Hours (Total)	480	Green
